# 112TS

Classic 80-Watt  
Guitar Cabinet with Original  
12" TURBOSOUND Speaker

- High-sensitivity and 80 Watts of explosive power handling
- World-famous, British engineered 12" TURBOSOUND speaker
- 8-Ohm impedance with dual TS connectors
- Lightweight and extremely durable multiply wood sound board
- Ultra low-resonance and low-vibration cabinet
- Stylish and comfortable carrying handle for easy single-handed transportation
- Reinforced corners and protective vinyl covering
- 3-Year Warranty Program\*
- Designed and engineered by BUGERA Germany

The incredibly powerful BUGERA 112TS is an ultra-portable, classic-style guitar cabinet that features a single, 12" world-class TURBOSOUND speaker with an impressive 80-Watt power handling capacity. The 112TS' high-sensitivity performance means more of your amp's power is converted to audio output, creating rich and vibrant sound with explosive impact. Custom-engineered to unleash the true tone of your

guitar, amp and effects, once you experience the muscular BUGERA 112TS – you'll never want to play through anything else!

## TURBOSOUND - The Sound Difference

A world-leading British designer and manufacturer of professional loudspeaker systems, TURBOSOUND has been building cutting-edge speakers for more than 30 years, and won the venerable Queen's Award for Innovation numerous times for their highly acclaimed loudspeaker designs. You will find TURBOSOUND's distinguished products not only touring with the best-known international artists, but also in countless major venues worldwide.

Guitar Cabinet with Original  
12" TURBOSOUND Speaker

BUGERA is proud to incorporate world-famous, custom-engineered TURBOSOUND speakers into their products for the ultimate in high-quality audio reproduction. Find out more about TURBOSOUND's amazing legacy, by visiting their extensive [website](#).

## The Sound of Wood

The sealed-enclosure design of the 112TS provides superb low-resonance and low-vibration performance, delivering throaty lows and crisp, clear highs all the way to the back row with pristine clarity. Because tone is all that ultimately matters, the TURBOSOUND 12" speaker is mounted on extremely durable void-free, multiply hardwood soundboard to support and honor your tone like nothing else can.

## Expandable

Lightweight and versatile, the 8-Ohm 112TS offers dual ¼" TS connectors, allowing you to add an additional speaker cabinet for a massively powerful 4-Ohm, 2 x 12" full-stack – should the need arise.

### Finishing Touches

Like the finest sports car, the 112TS is adorned with a loving attention to detail – sure to leave a lasting impression. To begin with, we include a stylish and comfortable carrying handle for easy single-handed transport. And because we want your 112TS to look as good as the day it was born, we lovingly wrap the cabinet in rugged, premium-grade vinyl and reinforce the corners for the ultimate protection against the elements.

### Built to Last

The perfect companion to any BUGERA tube-powered amp, or a powerful addition to your existing combo or single cab setup, the BUGERA 112TS is a truly amazing vintage-styled speaker cabinet that looks as great as it sounds. Conceived and designed by BUGERA Germany in collaboration with TURBOSOUND, and covered by our 3-Year Limited Warranty Program, this lightweight, 80-Watt speaker cabinet is a world-class contender in every sense of the word.

Check out the BUGERA 112TS today at your authorized dealer – and discover all the tone you've been missing.

### You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own MUSIC Group factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world.

As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous [3-Year Warranty program](#).
