DAP

EAN: 8717748443588

The DAP EVO 4T is a set of two 4-inch passive 70/100 V installation speakers for producing an excellent sound quality of up to 110 dB at one meter distance. With a peak power of 80 watt each, these 2-way Hi-Fi speakers have a high load capacity according to its size. It is therefore a perfect full-range audio solution for many public spaces and commercial premises such as offices, shopping malls and conference halls.

The EVO 4T fits nicely into any indoor and outdoor location due to its elegant design (available in black and white), strong ABS housing and IP54 rating for protection against heavy rainfall, dust ingress and splash water.

Installation can be done quickly and easily with a terminal connectors and included brackets suitable for either horizontal or vertical mounting. Besides, a knob at the back allows you to select one of four available power taps.

Special features:

- Full-range 2-way audio set for excellent Hi-Fi quality
- 70/100 V with 4 power taps (2, 4, 8 and 16 W)
- 40 W RMS, max SPL of 110 dB at 1 m each
- IP54 rated
- Multi angled brackets (tiltable to up to 60 degrees)
- Quick and easy installation in either horizontal or vertical position
- Elegant ABS design available in black and white

Specifications:
